

BEYOND THE CLASSROOM

HOW CAN YOUR SCHOOL GET MORE OUT OF VOTESFORSCHOOLS?

Each week, we have over 40,000 students voting in our weekly lessons, but that isn't the only way you can get your voice heard with VotesforSchools. Here's what else we can do for you:

YOUTH AMBASSADORS

Our Youth Ambassadors are VotesforSchools' student representatives. They share their thoughts on what they want to see from us, speak at events and help us plan our Student Webinar sessions. You can find more about our Ambassadors [here](#).

STUDENT WEBINARS

With questions chosen by our Youth Ambassadors, our Student Webinars get young people across the country talking about the issues that are important to them such as bullying, the online world and the environment. You can find out more [here](#).

TEACHER CPD

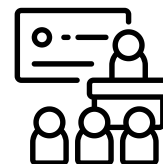

Our Teacher CPD support teachers with the pastoral challenges they face every day. We bring together a panel of experts and youth insights so teachers can ask difficult questions in a non-judgmental space. You can find out more [here](#).

STUDENT VOICE AWARDS

Our SVAs celebrate the schools and students working hard to make sure youth voices are heard. We have categories for both schools and students, with a panel of independent judges from newspapers, charities and even MPs. You can find out more [here](#).

INTERESTED?

Email our Head of Student Programmes at aisling@votesforschools to get involved.
